*Seeking an internship in Computer Science or Software Engineering for the Summer of 2017.*

## Education

**University of Toronto / Computer Science**, Second Year (2015-2019)

H.BSc, Focus in Artificial Intelligence

---

## Skills

**Programming Languages:** Java, Python, JavaScript, and C

**HDL/Assembly:** Verilog and MIPS

**Web Technologies:** HTML5, CSS3, React.JS, and jQuery

**Other:** bash, Git, UML, LaTeX, and PostgreSQL

**Operating Systems:** Macintosh OS X, Ubuntu, and Microsoft Windows

**Production:** Adobe Photoshop CC, InDesign CC, and Sony Vegas Pro 10

---

## Notable Projects

**ytmusic**, Personal, January 2017

- Web application that aims to enhance YouTube's music listening experience.
- Built with React.JS ES6
- Implements YouTube's Data and IFrame APIs

**whaddit**, Personal, January 2017

- Python3 script that uses AI to guess what subreddit a user submits based on its image content
- Implements Clarifai API, BeautifulSoup4, and Requests

**photo tagger**, Software Design, November 2016

- Java application that works to index photos within the OS with tags
  - Uses Swing GUI and JUnit testing
- 

## Coursework

**Computer Science:** Software Design, Computer Organization, Theory of Computation, Software Tools and System Programming, Data Structures and Analysis

**Math:** Calculus I and Proofs, Linear Algebra I, Calculus II

**Statistics:** Probability with Computer Applications

---

## Leadership and Volunteer Experience

**Volunteer Camp Counsellor**

Winter Sport Institute (Winsport), Calgary, AB, July/2013 - August/2013 & July/2014 - August/2014

- With children 8+ hours a day
- Helped improve leadership and people skills

**President and Editor/Director of the Graduation Video Club**

Sir Winston Churchill High School, Calgary, AB, September/2014 - June/2015

- Contributed to my skill and interest in video editing and graphic design
  - Helped improve my leadership and people skills, managing a large body of students creating one large project.
- 

## Activities and Interests

- Video production: YouTube technological product reviews
- Athlete: hockey goalie, lacrosse player, slalom waterskier
- Building and Maintaining computers since 2009
- Passion for performance cars and modifications
- Ardent fan of NHL hockey and esports
- Avid collector of socks
